The Chairman proposed Mr Gore to be co-opted and this was agreed by all councillors. Mr Gore signed the Declaration of Acceptance book, witness and signed by the Clerk as Proper Officer of the Parish Council. The Chairman invited Mr Gore to join the meeting.

5.	DECLARATIONS OF INTEREST There were no declarations of interest.	
6.	POLICE & COMMUNITY WARDEN'S REPORT The crime report had been circulated prior to the meeting from PCSO Wilson. A report had also been circulated from the VOV PCSO, Kim Kitterhing. It was agreed that the Clerk would invite PCSO Kitterhing to the next PC meeting. Some councillors had heard rumours of a mugging in the village although nothing to date had been heard from the Police on this. A crack pipe had been found on the permissive footpath. It was agreed the Clerk contact PCSO Wilson regarding the above. The Clerk read out an email to the Council from PCSO Wilson regarding youths shining a laser into residents' houses in Rectory Close. It was agreed to include a report on this in the next parish newsletter.	Clerk Clerk Cllr Craib
7.	BOROUGH COUNCILLORS REPORT Cllr Dalton reported on the flytipping in Hall Road – 21 bin bags dumped here with suspected cannabis roots. The Police have been advised and are dealing with this. The 155 bus trial evening service ends on 31/3/13. This will be reviewed by KCC, Arriva and Borough Councillors. Changes will not come into effect for at least 8 weeks after the end date so the evening service is secure until at least June 2013. Cllr Dalton did request funding to purchase banners advertising the bus but has now personally funded 4 banners, one for each village. Cllr Davis is organising a flooding meeting. The Black Robin area will be looked at although no work will commence here until the new financial year. The purpose of the meeting is to draw attention to the work to be done. A new drainage maintenance program also needs to be put in place. Cllr Davis will be writing a report on this and invited comments back from the PC to ensure that everything is covered. Cllr Adams advised that the flooding problem at the Black Robin has got worse and work can't wait until the new financial year to be carried out here. It	

	Head would look at the stop by Portland Road, the stop near to Ulandi and also look into the missing bus stop post on Knowle Road, opposite Cornwall Crescent. She would come back to the council with her report.	
13.	<p>FOOTPATHS/PROW Trenport had asked if the PC could look at information from its legal team on the KCC application to upgrade restricted byways and bridleways, looked at last month. This information had been circulated to councillors prior to the meeting. All councillors agreed they had no objections to this application and to submit the original comments made last month in support of this application.</p> <p>The Clerk reported that a resident had contacted her regarding a large amount of dog mess by the sculpture site/start of MR1 and would like to make a request that the PC look into installing a dog bin here. Cllr Adams confirmed that there is a problem here and it was agreed to the Clerk contacting TMBC to request a dog bin here. Cllr Dalton asked if the Clerk would submit detail of the request to him as well.</p> <p>Cllr Savage had viewed the new bollards in Trafalgar Close and thought they would solve the issues here. It was agreed to monitor the footpath here.</p> <p>A resident had emailed the Clerk regarding various village issues as follows:</p> <ul style="list-style-type: none"> • overgrown vegetation in the open space off Trafalgar Close, over the railings leading down to the riverside. The Clerk had emailed the Environment agency regarding this. • 2 concrete bollards in Ferry Lane. It was confirmed that Ferry Lane is an unadopted road and the bollards were placed there to prevent cars parking here as residents would not be able to turn. • Footpath on the open space off Trafalgar Close – could this be cleared to extend along the river. Councillors confirmed that this leads onto private land from both sides therefore this would not be possible. • Tramway area – large holes appearing. It was agreed that Cllr Stone would put some road stone here to fill the holes. 	<p>Clerk</p> <p>Clerk</p> <p>Cllr Stone</p>
14.	<p>ALLOTMENTS Cllr Adams reported that following the meeting with Trenport, he had taken the Directors to the Allotment site to look at the access to the empty field. It was suggested that the allotment holders move their fence line up by 1 or 2 plots to increase the size and it was agreed that Cllr Craib would speak with A Marr regarding this and report back to the Council. From next year the remaining part of the field would be incorporated into the field to be farmed. For this year, the PC could utilize Terry Venn to top the field. There would be some financial recompense for this year. Once the top field is not under the PC's agreement, the rent will be reduced. It was agreed that the Clerk would confirm this in writing to Trenport and confirm with them that they would be responsible for the fence.</p>	<p>Cllr Craib</p> <p>Clerk</p>
15.	<p>WOULDHAM COMMON The Chairman and Cllr Head are to arrange a meeting at the Common to look at Cllr Head's concerns that not enough of the land is being worked here, with a view to then contacting Kent Wildlife Trust to see how they could assist here.</p>	<p>Chairman /Cllr Head</p>
16.	<p>VILLAGE HALL Existing Village Hall: - Nothing to report. New Village Hall: - The Chairman reported on the Trenport meeting. Notes had been circulated prior to the meeting. Cllr Adams suggested that we need to investigate into the feasibility of what to next; do we continue looking to build a new hall, wait for the Trenport community centre or look at investing in the hall we have. There was much discussion about Peters Village being a separate village and how it looks as though Trenport now want it to be more integrated than the PC had originally thought.</p> <p>It was agreed that the PC should now progress with fundraiser with the original hall plans. Cllr Fulwell asked for it to be noted that he has concerns with looking to fundraise for the</p>	<p>Clerk</p>

	<p>smaller hall design and that the PC should be looking at the larger hall design. As planning permission is required for fundraising and this would cost the PC in the region of a further £2000, it had been agreed already to not spend any further money on this.</p>																																			
17.	<p>RECREATION GROUND A resident had raised a concern about the vegetation on the lower fence line obscuring the view. It was agreed that the Clerk would contact the PC's contractor for a price for this work. Cllr Fulwell advised that the potholes in the car park are getting bigger and it was agreed that Cllr Stone would look into filling these again.</p> <p>The work on the fitness equipment was carried out this week by Fresh Air Fitness. The recycling area plans had not progressed yet with TMBC and it was agreed that the Clerk would contact TMBC during the month to confirm that the work would still be carried out in this year's budget.</p>	<p>Clerk Cllr Stone Clerk</p>																																		
18.	<p>FINANCE General – Jellybeans Pre-School had requested a donation towards Coronation coins for 43 pre-school children at a cost of £1.99. All councillors agreed not make a donation towards the coins and the Clerk would advise the Pre-School accordingly.</p> <p>Cllr Head asked why the Village Hall Cleaner is paying tax. The Clerk explained that on advice of the PC's accountant, all employees of the council should be paid under PAYE now and due to the cleaner having more than one job, tax is due on her income. This is settled through the PC's account and the amount repaid from the Village Hall account.</p> <p>Financial Statement – January 2013: This had been circulated to councillors prior to the meeting.</p> <p>Bank Position as at 24/12/13</p> <table border="1"> <tr> <td>Current Account</td> <td>£100.00</td> </tr> <tr> <td>Reserve Account</td> <td>£22,761.18</td> </tr> <tr> <td>Building Society</td> <td>£10,290.50</td> </tr> </table> <p>Income for January 2013</p> <table border="1"> <tr> <td>31/12/12</td> <td>Natwest</td> <td>Interest</td> <td>3.52</td> </tr> <tr> <td>10/01/2013</td> <td>Wouldham Village Hall</td> <td>Tax cleaner x 3 months – repayment</td> <td>36.40</td> </tr> </table> <p>Cheques signed:</p> <table border="1"> <tr> <td>2781</td> <td>Sarah Eggesden</td> <td>Salary & Expenses - Jan 2013</td> <td>£992.17</td> </tr> <tr> <td>2782</td> <td>F.
