

Road Maintenance in Your Area

Road Improvement (Road marking)

Knowle Road, Wouldham

When we plan to carry out the work and how long it will take

This is to let you know that, following our previous works at this location, Kent County Council needs to replace the 'Waiting restrictions' and 'Bus Stop' road markings which were covered during the recent surface dressing operations in **Knowle Road, Wouldham**.

These road marking works are programmed to start on the **11th December 2018** and should take **1 day** to complete. These activities will be undertaken during a **short working window** between the hours of **8:30am and 4:30pm**.

This type of work can be affected by bad weather, so if it is not possible for us to carry it out at this time, we will arrange a new date and let you know via a letter drop to your home. We will also put up signs along the road before we start showing the date we plan to start work.

The timings of works and how the 'working window' may affect you

Our road marking replacement is a very quick process and usually takes no more than **a few hours** to complete. We therefore undertake a programme of several surfacing sites in a day, following on consecutively from each other, to maximise the economy of our surfacing. Consequently, it is not possible to give an exact time when we will attend your road in advance of the works as this is dependent on the progress at other sites during the day, however the works are programmed to be undertaken within the working window specified above.

How you can help

It is inevitable that residents and businesses near the works will experience some disruption, but we will try to keep these to a minimum. Any pavements will remain open at all times, but vehicle access to properties will need to be restricted for a short period while work is carried out in front of each property. If you have any particular access needs, please let the workforce on site know. We need your help to make sure the work is done as quickly as possible and to the best possible quality.

If your vehicle is usually parked on the carriageway, please make sure you park it somewhere else away from the site whilst the works are carried out, so the road is clear for us to resurfacing

If you need more information, please call us on **03000 41 81 81**

You can also visit our website www.kent.gov.uk/highways to find out how we look after the roads throughout Kent or report any faults you find on our roads.

For your safety and the safety of our workforce, please drive carefully and slowly through the roadworks.

WARNING – Beware Bogus Callers

Kent County Council Highways, Transportation and Waste do not allow works to be carried out on private properties. If anyone says they are working for us or our specialist contractors and offer to carry out any work for cash, they should be treated with caution. We advise you to contact Citizen's Advice on 03444 111 444 (Monday to Friday 9.00am to 5.00pm)
